NH Trapper Education Pre-Test (Today's Trapper)

This pre-test must be completed and brought with you to the field day. Consider it your ticket in! .

Before the field day begins your instructors will correct the pre-test with you. There will be a closed book final written exam given at the end of the field day. Reading and studying the manual and enclosed materials within your student packet, as well as correctly completing the pre-test, will greatly enhance your chances of passing the final written exam! Happy studying!!
