

*A group of ice fishing students and instructors dressed for the ice*

*You should have:*

A synthetic well fitting base layer, top and bottom

A looser fitting mid layer like a sweater, fleece or lightweight down

A water and wind proof outer layer (parka with hood and ski type bib or equivalent)

A hat that covers the ears

Gloves or mittens – 2 pair is good in case one gets soaked

Socks – wool – 2 pair in case

Waterproof lined boots – no regular shoes or sneakers

Traction device for boot (spikes), if possible
