

OWL BROOK HUNTER EDUCATION CENTER
NEW HAMPSHIRE FISH & GAME DEPARTMENT

Dear Parent or Guardian,

Thank you for your interest in the Summer Youth Programs at the Owl Brook Hunter Education Center. The center staff and volunteers are looking forward to a safe fun filled summer. Participants should arrive at the Owl Brook Hunter Education Center at 8:45 a.m. Parents must arrive on time (3:00pm) to pick-up their children. There will be a lunch break for about a 1/2 hour. All participants are required to pack a lunch and it must be in a backpack or container that is easy for your child to bring with them to eat in the outdoors. Students should bring a mask. If they don't have a mask, one will be provided for them.

Please fill out, sign, and e-mail or fax the registration form and photo/video release form to:

This year due to Covid-19, we have made some changes to programming to keep staff, volunteers and participants safe while still providing quality outdoors education. Please make sure your child is self-contained with everything he or she needs for a day out in the woods. Also, please practice and re-emphasize proper social distancing practices (giving one another at least six feet) with your child before you arrive and enter the facility. With your efforts and our adjustments to our class activities and smaller group sizes, we are confident we can have a safe fun day in the outdoors.

We hope your child benefits from this program and the outdoors becomes an enjoyable and everlasting part of their life. The staff and volunteers at Owl Brook Hunter Education Center are looking forward to another Summer Program Session.

Sincerely,

Tom Flynn, Program Director
